All eligible New York City District Council of Carpenters Members and Retirees as well as eligible dependents are entitled to the following:

- A comprehensive audiological evaluation which includes: screening & pure tone audiometry; threshold air & bone.*

* The evaluation is only covered if the patient is dispensed a hearing aid.

A hearing aid evaluation only (without a hearing aid) is not covered by the Fund.

- A wide variety of hearing aid options: Behind-The-Ear or In-The-Ear Hearing Aid
- All-in-the-Canal, Patient Pays \$300.00
- Ear impression (mold).
- Unlimited servicing (in the first year).
- Battery and a one year guarantee.

Manufacturers: Oticon, Starkey, Widex, Bosch, Rexton, or a comparable brand

Do you think you need a hearing aid test? Answer these 4 questions:

- Do you need to ask people to repeat things frequently?
- Do you hear people talk but have difficulty understanding the words?
- Do people seem to mumble or speak more softly than they used to?
- Do you hear better with one ear than the other?

If you answered yes to two or more of these questions, it's time for a more thorough investigation. Schedule your **covered** hearing aid exam today!

Why use the CPS hearing aid benefit?

- CPS has been providing hearing aid benefits to union workers for over 35 years.
- We offer over 100 locations in New York, New Jersey, and Florida.
